13. **Diplomas**

Graduates will not receive their actual diplomas at the ceremony. Official diplomas will be mailed to graduates after all eligibility requirements have been verified. At Commencement, graduates will receive a congratulatory scroll.

14. **Honors and tassel colors**

Honors and tassel colors for Graduation honors levels are determined by cumulative grade point average (GPA). The designation is reflected on each student's diploma.

- a. If you are a Summer 2023 graduate, your cumulative grade point average (GPA) using all course work through the end of the Summer 2023 semester determines the tassel color.
- b. If you are a Fall 2023 graduate, the tassel color is determined by your cumulative GPA using all coursework through the end of the Fall 2023 semester.
- c. If you are a spring 2024 candidate the tassel color is determined by your cumulative GPA using Delta coursework only through Fall 2023. Fall 2023 GPA is used as the determining criteria even if grades for Spring 2024 are posted before the Commencement ceremony. No

exceptions. If you were granted special permission to walk as a candidate, you will receive a black tassel regardless of your GPA.

- d. When you pick up your cap, gown, and tassel, your GPA will be available at the Bookstore and will determine your tassel color as follows:
 - i. Graduates with a GPA of 3.50-4.00 receive a gold and black tassel.
 - ii. Graduates with a GPA of 3.00-3.49 receive a silver and black tassel.
 - iii. Graduates with a GPA below 3.00 receive a black tassel.

15. Special celebrations

Some Delta College programs host what we refer to as special celebrations at the end of the academic year. These celebrations are not to be confused with Commencement itself. Both the special ceremonies and Commencement are optional; you can attend one or both if you like. However, if you believe you have satisfied the requirements for a degree, you **must** [apply for that degree](#) no later than April 12, 2024. If you fail to apply before that deadline, you will not receive a degree and you will not be eligible to participate in Commencement.

16. COVID-19

If you are sick or have been experiencing COVID-19 symptoms, please stay home and do not attend the ceremony.
