Fall 2019 Transfer Admission Presentation to English 1A Classes

Presented by:
Counselor & Professor

*In Collaboration with the Career Transfer Center,
Counseling & Special Services Division,
and your English 1A Professor*

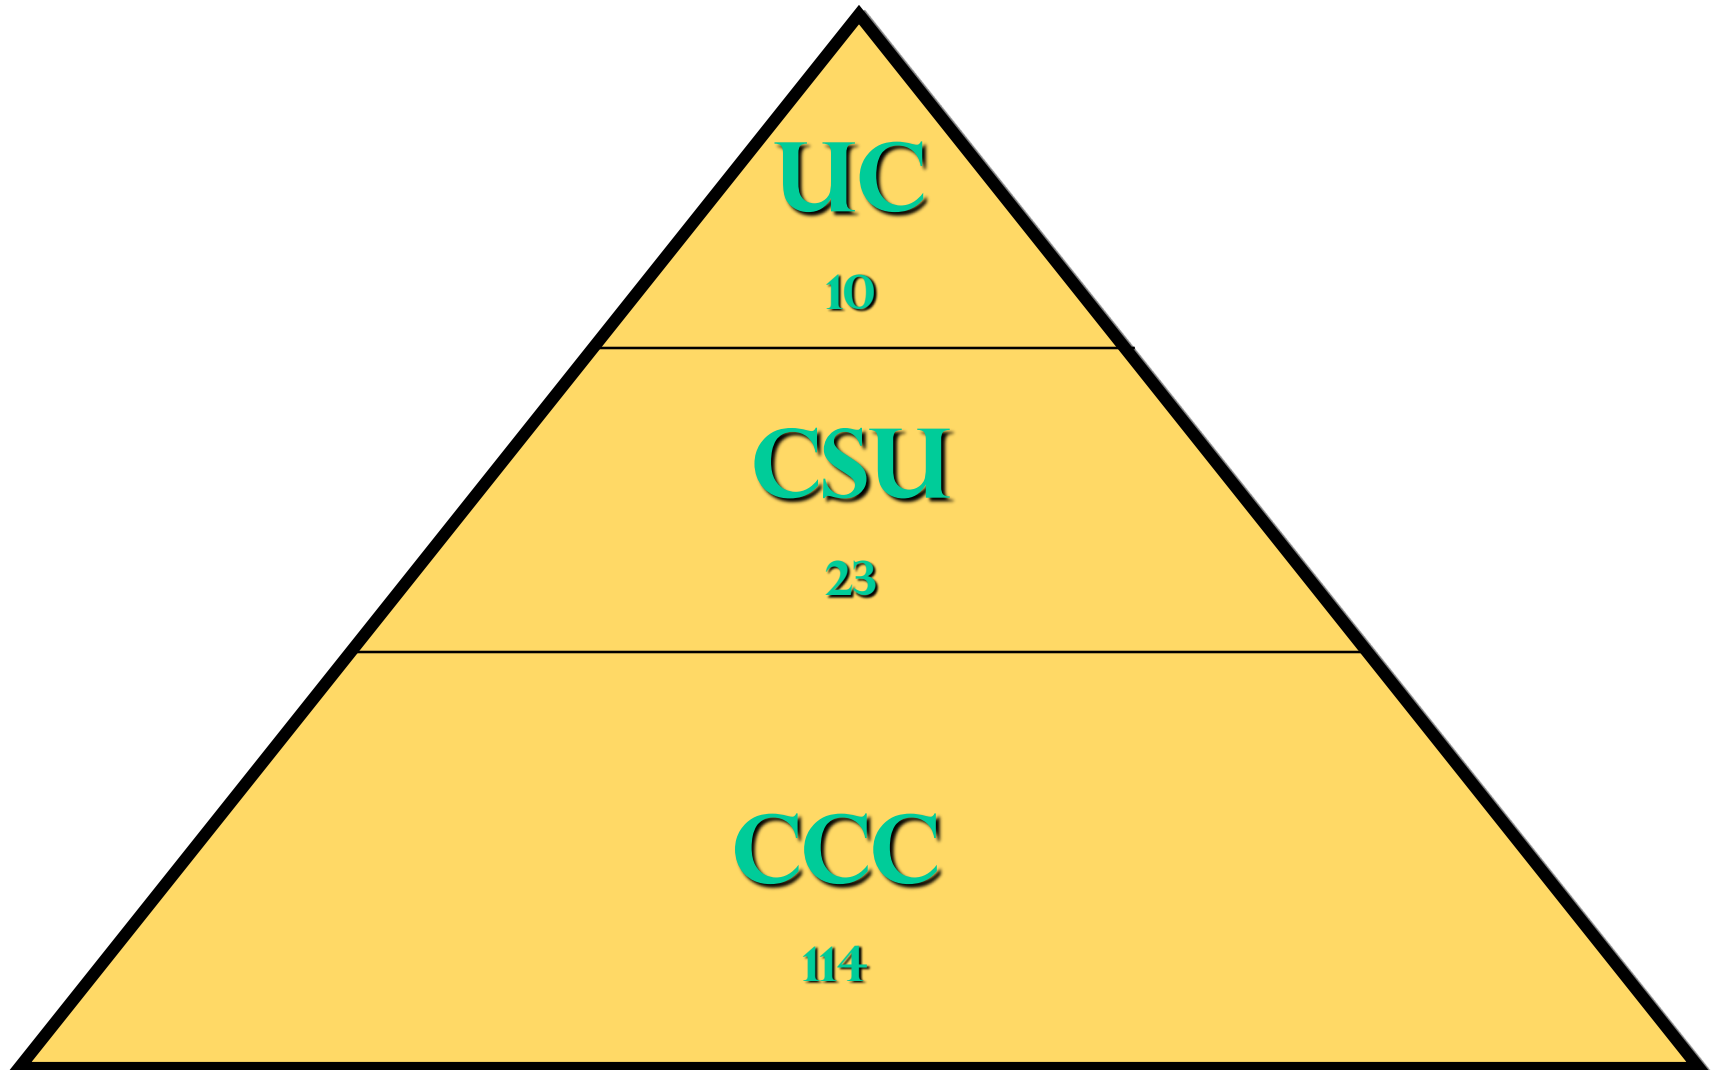

- ❑ To inspire and motivate you to earn an Associate Degree and transfer to a 4-year university and beyond, earning Bachelor's, Master's, and Doctorate Degrees.
- ❑ To inform you of the transfer admission requirements to UC, CSU, UOP & others.
- ❑ To reinforce the need to identify your career and academic major, and to complete appropriate major preparation courses.
- ❑ To foster communications with a counselor and develop a Student Education Plan (SEP).
- ❑ To identify resources that can help you.

When Planning to transfer remember these Four Things:

1. Major Preparation
2. Admission Requirements
3. GE Requirements
4. "Other" What other requirements can be met?

REQUIRED QUESTION

- Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

You will also need to select 3 out of the following 7 questions to answer:

1. Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.
2. Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.
3. What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?
4. Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.
5. Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?
6. What have you done to make your school or your community a better place?
7. What is the one thing that you think sets you apart from other candidates applying to the University of California?

END OF AGREEMENT

UC Articulation Agreement by Major

It is very important for students to complete as many major courses identified on ASSIST in order to be well prepared and thus, be able to graduate in a timely manner.

UC Transfer Pathways: Roadmap to 21 top majors

UC Transfer Pathways

- “If you’re starting out at a community college and know which major you want to study but haven’t decided which UC campuses to apply to, there is a simple way to keep your options open as you prepare for your major”.
- “Follow one of our new Transfer Pathways, a single set of courses you can take to prepare for your major on any of the nine UC undergraduate campuses”.

IGETC

- IGETC is a portable GE pattern that is acceptable for meeting GE req'mts. at all UCs, CSUs, some private & out of state colleges.
- STEM majors take some GE courses but must give priority to taking courses in the major.

Out-of-State Colleges

- Many Out-of-State colleges and universities are now recruiting aggressively for California college students.
- Sometimes, the admission requirements are not as difficult.
- Scholarships, like the WUE, make it possible to attend an out-of-state college for about what it would cost to attend a UC.
- You can increase your college options if you start researching early!
