To continue to receive student aid, students must re-apply every year, observe the March 2nd deadline and maintain satisfactory academic progress toward a degree. Contact the financial aid office of the college where you want to attend for complete information.

At San Francisco State University, about half our students receive financial aid to help cover costs. There are many types of aid available. Call the SFSU Office of Student Financial Aid at 415/338-7000 with questions, or visit www.sfsu.edu/~finaid.

The figures listed above are provided by the Office of Student Financial Aid.
