Addendum to the Covid 19 Vaccine Mandate

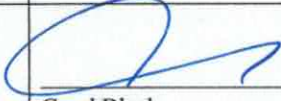

This is an addendum to the COVID-19 Vaccine Mandate Memorandum of Understanding (“MOU”) dated 10/19/21 is made effective as of January 18, 2022, and has been jointly prepared by representatives of the San Joaquin Delta College Community College District (“District”) and the designated representatives of the California School Employees Association Chapter #359, (“CSEA”) the exclusively recognized employee organization within the District for all employees in the classified service, as follows

On December 14, 2021, The Board of Trustees mandated that all employees must have received the Covid Booster by March 18, 2022, or at the time in which six months has passed since completing a primary COVID-19 vaccination series or two months after completing a single-dose vaccination, whichever is later. The COVID-19 Booster shot is required for all employees. Employees with an approved exemption are also exempt from the booster shots. New exemptions may be requested by individuals previously in compliance with the vaccination mandate.

Refusal to Comply with the Vaccination Booster Mandate

If an employee chooses not to get the booster vaccination or apply for a medical or religious exemption by June 1, 2022, the employee will be issued a warning letter and must provide Booster Vaccine information and/or an exemption request by June 30, 2022. An employee who chooses not to get a booster or apply for a medical or religious exemption will be encouraged to retire or resign as of May 31, 2022.

The District will begin the discipline process as outlined in the COVID-19 Vaccine Mandate MOU dated 10/11/21 (attached) if the employee has not received the COVID-19 Booster or has not been approved for a medical or religious exemption.
