Q: Members of the public have indicated a desire to receive copies of the proposals for sites/facilities to support the District's plans to establish a North County Center as such proposals are received. Is this possible?

A: No. Proposals will not be available to the public until after the process is fully completed and after the District's Board of Trustees takes some type of action. The contents of real estate proposals, appraisals, engineering or feasibility estimates, and evaluations prepared for or by the District relative to the acquisition of property are exempted from Public Records Act disclosure requirements until all of the potential property(ies) has been rejected, acquired, or when all of the contract agreement obtained. This exemption only applies while the acquisition(s) or prospective contract(s) is pending. Once all the property is acquired or all of the contract agreement obtained, the exemption will not apply.
