Transition to *College*

Differences between high school and college...

K-12

- District identifies students
- Establishes eligibility
- Develop IEP/ITP
- Provides support and/or special classes
- Ensures IEP is implemented & goals met
- Parents & Special Ed professionals advocate for student
- Fundamental alteration is allowed in program of study & instructional methods
- Student may receive Certificate of Completion instead of diploma
- Personal attendant services may be provided
- Transportation to and from school

College

- Student self-identifies; requests services
- Student submits disability verification outlining functional/educational limitations
- Provides academic accommodations & limited Educational Assistance courses
- Student is responsible for own goals & progress
- Student advocates for self, DSPS provides support & guidance
- Accommodations do not alter fundamental nature of credit courses, degree or certificate requirements
- Student may receive approved vocational certificate or AA/AS degree
- Student provides attendant care
- Public transportation, Dial-A-Ride / C.A.T. / SMART

Applying to Delta College
