Add Another Course View Your Materials

6. The Bookstore will give you multiple options (ie. New or Used books) and comparable prices from different websites. (If the ISBN # is provided, you can type that on a separate tab and you can purchase or rent it from another seller such as Amazon, Barnes and Noble, Chegg, etc.). Add your choice, then Continue Checkout.

Course Materials

Substitution Policy We want to make sure you have all the materials you need to succeed! When you order your physical books from us, and your preferred choice is out-of-stock or unavailable, we will substitute "new" for "used" or vice versa so that your order is complete. If you do not wish to keep the substituted item, the normal return policy will apply.

You have chosen to purchase books from other vendors. This page lists those vendors and the selected titles. Follow the instructions listed with each vendor to complete your order for that vendor. Purchases made from other vendors are not processed by the bookstore. All customer transactions and customer service issues will be handled by the individual vendor. Please keep any confirmation emails you receive so that you may contact them directly should the need arise.
