BENEFITS OF STUDYING ITALIAN

Knowing Italian and being familiar with Italy's culture opens doors to various fields of study and careers in art, history, music, fashion, culinary arts, hospitality, international business, and many more.

Do you know Spanish? Studying Italian will be fairly easy for you! Spanish and Italian are both Romance languages with many similarities.

Delta's Italian faculty is committed to providing you with an interesting and interactive learning experience. Our courses are built on the guidelines designed by the American Council on the Teaching of Foreign Languages (ACTFL) in order to emphasize World-Readiness Standards for Learning Languages: communication, cultures, connections, comparisons, communities.
